crush on you. I'm just a girl with a crush on you.

Verse 2:

I have been through changes
 But I'm still the girl you used to know
 It's made me no different
 So tell me why you had to go
 Oh baby, I will trade the fancy cars
 For a chance today
 It's incomparable
 I might be sitting with the movie stars
 Everybody say that I just have it all.

But I can't make you love me *etc.*
